UK SECURITY COMMONWEALTH

National Association for Healthcare Security

# The Evolution of Healthcare Security in a Modern World

18 November 2021, The Studio, Birmingham

Meet with and listen to industry-leading bodies and expert speakers. You will also be able to check out what's new from a wide range of sponsor/exhibitor showcasing new and innovative products and services.

## Speakers include:

**Philip Ingram MBE BSc MA**
Philip is a journalist specialising in the security, counter terror, defence and intelligence arenas. His knowledge is built from a long and senior military career as an intelligence and security officer, and strategic planner, with business experience at board level in the steel industry and security media (marketing) industry; he maintains a close interest in global events. When not, key note speaking, chairing events, commenting for national and international press outlets or writing on security and intelligence, Philip runs his own media company, Grey Hare Media. Unsurprisingly it specialises in delivering informed content.

**Nick Aldworth - Director, Risk to Resolution Ltd**
Following a 36-year career in policing and the military, Nick finished his career as a Detective Chief Superintendent in Counter Terrorism Policing where he held the role of National Coordinator (Protect and Prepare) and led the operational protective security responses to the London 2017 terrorist attacks. Nick is a subject matter expert in counter terrorism and the Protect Consultation.

**Michelle Russell - Acting Chief Executive, Security Industry Authority**
Michelle was appointed as the Acting Chief Executive of the SIA in October 2020. A qualified solicitor, Michelle joined the SIA from the Charity Commission where she held various legal and senior management positions. Michelle was the Director of Investigations, Monitoring and Enforcement at the Charity Commission for over 5 years, leading its investigations, monitoring and enforcement work, its specialist outreach programs and accountancy functions strategies on counter-terrorism, fraud and financial abuse, and safeguarding. Michelle has also sat on a number of cross government and sector groups, particularly on terrorism and serious crime issues.

**Bonnie Michelman CPP CHPA - Executive Director of Police, Security & Outside Services, Mass General Brigham**
Bonnie has 30 years' experience of managing health care security. Currently she manages the security of patients, staff, visitors, facilities, and assets of a 90,000 employee institution with more than 100 buildings, 130 satellite sites, and budget of $40+ million. Staff of 350 includes a licensed police department.
